OIFF GROWING AND GLOWING

The **OCEANSIDE INTERNATIONAL FILM FESTIVAL** returned in person in February 2022 with great fanfare and amazing films, we grew through 2023 with the Blue Crush 20-year celebration and Animal Kingdom Thank You & Family to the End event. The Festival continues to be lauded by film critics, festival attendees, and the filmmakers.

The Virtual Festival in 2020 was very special but being back in person these past two years we showed how the reach of the festival is far and wide with print, web, television, radio, and receiving great praise and accolades from all touched by the event.
